

STATEMENT OF PURPOSE

Aims and Objectives

FMC Marketing Limited aims to provide a high quality, Internet healthcare service which includes confidential on-line health assessments with a medical practitioner and the private prescription of medicines.

FMC Marketing's key objective is to provide a high quality patient healthcare service which meets and exceeds the requirements of the current essential standards and regulations of the Health and Social Care Act 2008 (Regulated Activities) Regulations 2010.

Registered Provider and Registered Manager

FMC Marketing Limited is the organisation which provides the Internet based healthcare service. The Registered Manager of the service is Mr Richard Adams who operates the services on a day to day basis.

Kinds of Healthcare Services provided by FMC Marketing Ltd.

FMC Marketing Limited provides a secure Internet healthcare service, which includes private and confidential online health consultations with a medical practitioner, the provision of individual health advice and the issuing of private prescriptions. All private prescriptions are sent to FMC Marketing's external Royal Pharmaceutical Society of Great Britain (RPSGB) registered pharmacy for dispensing and posting. Healthcare services include online consultations and prescription medicines in relation to the treatment of impotence, hair loss, weight loss, influenza, smoking cessation, raised cholesterol, travellers' diarrhoea, jetlag, malaria, premature ejaculation, acne/eczema, asthma, STI tests & treatments, urinary infections, diabetes, hay fever, blood pressure mgmt, period delay, unwanted facial hair and contraceptives.

Anti-malaria treatments are provided to children between the ages of 0 (birth) to 17 years as well as adults. All other treatments are for adults over 18 years old.

FMC Marketing also co-authors Patient Group Directions (PGDs) for use by health professionals. Following training and assessment, this service allows authorised health professionals to supply and administer certain medications to patients without a prescription.

Legal Status

FMC Marketing Ltd. provides private healthcare services as a limited company business and is registered as a UK company at Companies House (registration number – 04780577). FMC Marketing Ltd. operates as a Mobile Doctor Service (Independent Medical Agency) for the purposes of Care Quality Commission (CQC) registration.
